This Weekend: "Oliver!"

THIS WEEKEND IS "OLIVER!" WEEKEND

"Consider yourself well met! Consider yourself one of the family.." is the exuberant greeting extended to Oliver Twist by a stagefull of colorful Dickensian characters during a major Act One scene. As spokesman for the student cast of over fifty, the musicians, the stage crew, the art department, plus the adult directors, assistants and advisers, I would like to extend the very same greeting to all area residents.

This weekend, either on April 11th or 12th, at 8:15, come to the auditorium at Old Rochester Regional High School, where you will indeed by "well met" by an entertainment that is positively delightful. "Oliver!' is a long run, smash musical hit that has enjoyed international success, and today is being freshly acclaimed by all critics for the newly released film version.

Area residents are privileged to have an opportunity to view a spectacular stage presentation of this splendid show. As a matter of fact, this privilege is doubly advantageous. Not only do you have a rare chance to spend an enchanting evening subjected to superb stage entertainment, but at the same time, you will be supporting your school, your community, your children, your friends and most possibly, your relatives.

By all means, as you consider your plans for this second weekend in April, do

Miss Wareham Pageant

WHO will succeed the present vivacious Miss Wareham 1968, Donna Desjardins? The annual Miss Wareham Scholarship Pageant, sponsored by the Wareham Chamber of Commerce, will be held on May 31, 1969 at 8:00 P.M. at the Wareham Memorial Town Hall. Young ladies interested in a Miss America type program should contact Rita L. Blair, chairman, for information on how to enter the Miss Wareham Pageant. Any aspiring contestants should be single, high school graduate, possess a certain amount of charm, poise and talent. Scholarships, trophies and prizes are awarded the winners to enable them to further their education. This is an opportunity offered the girls in the following areas: Marion, Carver, Rochester, Mattapoisett, Plymouth, Wareham and all of Cape Cod.

On May 25th a Miss Wareham Scholarship Ball will be held to introduce the contestants to the public formally. The committee preparing this festive occasion is headed by co-chairmen, Donald R. Blaise and Mrs. Lee Lacasse. The new Miss Wareham 1969 will represent the area in July when she competes for the state title at Attleboro where Miss Massachusetts, Catherine Monroe, first runner-up to Miss America 1968, will crown her successor. Naturally the winner will represent the state of Massachusetts in September at Atlantic City, New Jersey to compete for the honor of Miss America.

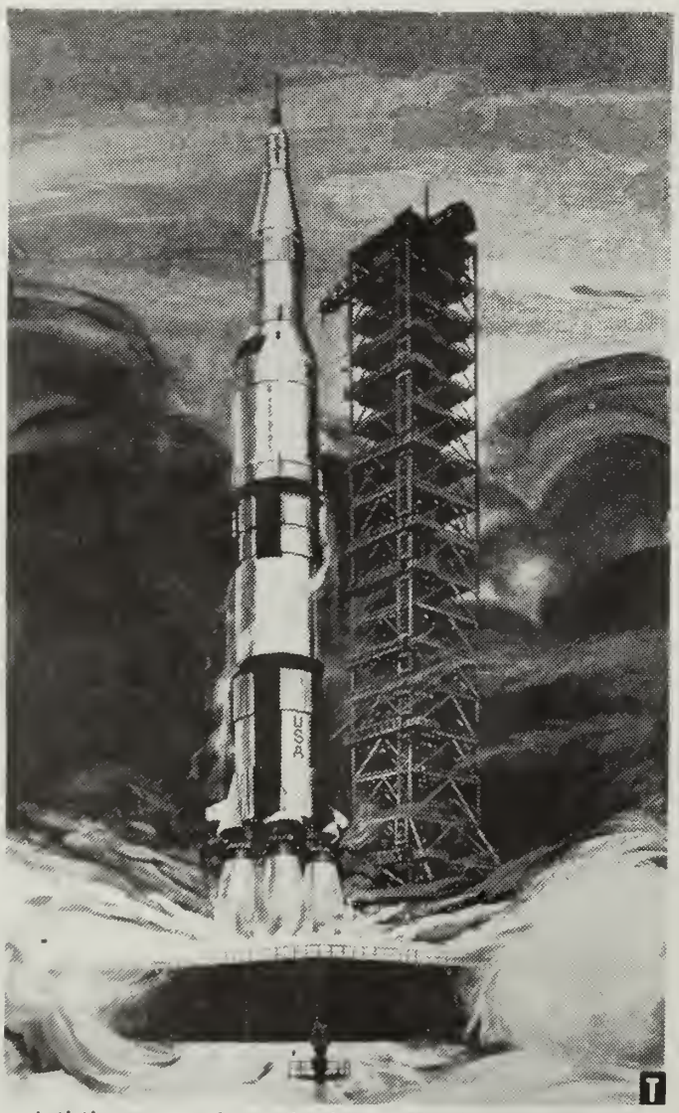
MOON ROCKET



Artist's concept shows the Saturn V, of which the Boeing-built S-IC is the first stage, lifting off from Cape Kennedy on its round trip to the moon. The 364-foot rocket generates 160,000,000 horsepower on its first 40-mile jump, the distance it is propelled by the S-IC first stage. Mobile launcher is completely engulfed by flame of rocket exhaust, indicating extremes of temperature and noise to which it is exposed. Delicate equipment inside is protected by thermal and acoustical insulations supplied and installed by Johns-Manville.

In Marion and Rochester, tickets are available at the respective Police Stations.

Dinner, an entertaining evening and dancing to Bud Lilly's orchestra is planned. Deadline for tickets is April 13th.

Little League

LITTLE LEAGUE TRYOUTS

The Mattapoisett Sports and Athletic Committee wishes to inform all boys interested in trying out for Little League Baseball to be at the Center School field on Saturday, April 12th, at 10:00 A.M.

To be eligible a boy must reside in Mattapoisett and be nine (9) years of age before August 1, 1969, and cannot have reached his thirteenth (13th) birthday before August 1, 1969.

This year a new team has been added to the three teams presently representing the Town in the Capeway League. In order to balance out the talent in the league the managers of the three existing teams will be allowed to protect seven (7) returning and eligible players from their respective last year's squads.

All returning and eligible players from last year's teams not protected will form a pool from which the new team will select players.

New boys trying out for the first time will be rated by the four managers in the areas

Boys who are successful in the tryouts will be notified by their respective managers. All boys who try out will participate in the baseball program. If they do not make Little League teams they will be eligible to participate in the Town's Minor League and Pee Wee programs.

Registration blanks may be obtained at Center School, Old Hammondtown and Old Rochester Regional High School. The blanks must be filled out completely and signed by both parents and turned in at 10:00 A.M. on the 12th. To help defray insurance costs, the registration fee is one dollar per boy.

The only equipment a boy need bring to the tryouts on Saturday April 12th is his glove.

you're never alone

When you're aware that God's love is wherever you are, loneliness and anxiety fade. That's because your very identity is the image and likeness of God.

This is the inspiring and practical basis of a talk Norman B. Holmes, C.S.B., of The Christian Science Board of Lectureship will give, entitled "Our Search for Identity."

He will show how an understanding of their real identity set a young man on the path to a new career, and freed a schoolteacher from the threat of a nervous breakdown.

You are warmly invited to come and enjoy this free public lecture.
